

## T/L Notes + credits

This chapter was a nightmare  
to translate. I've noted in  
areas where the translation wasn't as  
perfect. I hope the next  
chapter doesn't take this long.  
ONE MORE VOLUME OF HOTMAN  
LEFT! I won't rest until so what  
will happen next is a surprise for you  
as well!

It also has to thank Squeaky for  
redrawing the page with the  
flowers in this release even  
though he is Yamashita redrawer  
Thank you wonderful Squeaky!
